Customer No.: 21186

Confirmation No.: 2366

Title: COSMETIC PRODUCT CONTAINING ACRYLATES

TERMINAL DISCLAIMER

MS Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

I, Janal M. Kalis, am an attorney of record for the above identified patent application as evidenced by the Power of Attorney filed in the present application on January 9, 2002. This Terminal Disclaimer is submitted on behalf of Coty B.V., the assignee of the present invention. As an attorney of record, I am empowered to act on behalf of the assignee and, in accordance with 37 C.F.R. § 1.321(b)(1)(iv), to sign this Terminal Disclaimer.

Certificate Under 37 C.F.R. § 3.73(b)

The assignee, Coty B.V., hereby certifies that it is the owner of the entire right, title and interest in and to both the captioned application (U.S. Application Serial No. 09/975,756) and to U.S. Patent Nos. 6,524,565 and 7,138,111 by virtue of the executed and filed assignments transferring title of all three of these applications.

(1) The assignment for U.S. Application Serial No. 09/965,578 was recorded on April 30, 2002 at Reel 012859, Frames 0464 - 0467;

(2) The assignment for U.S. Patent No. 6,524,565 was recorded on May 6, 2002 at Reel 012878, Frames 0259-0262. That assignment assigned the application underlying U.S. Patent No. 6,524,565, as well as, *inter alia*, all continuations and divisionals based upon that application. U.S. Patent No. 7,138,111 is a continuation of U.S. Patent No. 6,524,565, and was thus assigned to the assignee by the identified assignment.

The undersigned representative of the assignee has reviewed the evidentiary documents of title and certifies that to the best of assignee's knowledge and belief, title is in the assignee seeking to take the action set forth in this disclaimer.

Terminal Disclaimer

The assignee of the captioned application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the above-identified patent application, which would extend beyond the expiration date of the full statutory term, as presently shortened by any terminal disclaimers, of U.S. Patent Nos. 6,524,565 and 7,138,111. The assignee hereby agrees that any patent to be granted on the captioned application shall be enforceable only for and during such period as such patent is commonly owned with U.S. Patent Nos. 6,524,565 and 7,138,111. This agreement shall run with any patent granted on the above-identified application and shall be binding upon the assignee's successors and assigns.

Limitations on the Disclaimer

The assignee does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term as presently shortened by any terminal disclaimer of U.S. Patent Nos. 6,524,565 and 7,138,111 in the event that it later expires before such term for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed, is the subject of a reexamination certificate cancelling all claims, or is otherwise terminated prior to the expiration date of its statutory term as presently shortened by any terminal disclaimer.
